Using the library homepage, look under Databases and find ARTSTOR

Once you are logged in, locate the link for your class folder—this will either be in Moodle or in an e-mail from your professor and will look like this:

http://library.artstor.org.knox.idm.oclc.org/group/525716?token=4eD+sao0Tnaa0Tp4x54Yhg

Copy and paste this link into the open browser bar WHILE YOU ARE IN ARTSTOR
Now that you've done this, it will always be available to you! Click Browse > image groups

Click Shared with Me—and your shared groups will be available to you!
